

2024 Knoch Knights Lacrosse Club

Parent Contract

1. I will follow the 24 hour rule. Parents/guardians are not allowed to confront a coach, team, player, board member, or league official to discuss any “negative” game or practice situation(s) until at least 24 hours has passed from the completion of the game or practice. A confrontation shall consist of any conversation, which is elevated from a normal speaking tone and demeanor to one which involves yelling, profanity, or derogatory comments toward said coach, team, player, board member or official. I understand that if this rule is violated, it could result in parent suspensions from events. All violations will be handled on a case by case basis, with the outcome being determined by the Knoch Boys Lacrosse Board. Coaches are not to be approached before or after games.
2. During games, we request that parents refrain from yelling at referees, players, or coaches of either team. Please do not "coach" from the stands by yelling instructions to your child or any other player. Oftentimes this may contradict what a coach is asking of a player or what is in the best interest of the team.
3. I will provide positive support, care, and encouragement for my child’s participation in the team.
4. I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice, or other team event. I will also work to ensure that family members and guests also demonstrate this level of sportsmanship.
5. I will insist that my child play in a safe and healthy environment.
6. I will remember that the game is for the players and team and not for the adults.

7. I will insist that my child treat other players, coaches, fans, and officials with respect at all times.
8. I will make every effort for my child to attend all practices and games and I will give proper notification to the coach if they are unable to attend or have my player contact coach(es) directly.
9. I will see that all the fees are paid in full by the date due.
10. I have read and reviewed the Player Contract that my child has signed and I have no issues with that document or any of the things that are mentioned on it. As a player parent, I will do my best to help enforce the standards mentioned in that contract.
